

PINNACLE TOOL & SUPPLY

W LEWIS SALES

Vending Solutions

OUR MACHINE – OUR INVENTORY – ON YOUR FLOOR

Pinnacle Tool offers comprehensive inventory control solutions that will reduce costs and increase productivity. We can provide a personalized vending program with

no contract or fees!

TOP 10 BENEFITS OF OUR PROGRAM

- Reduce up to 30% of your inventory spend by having employee accountability
- Control access and spending by item, job, department, machine or employee
- Reduce slow moving, obsolete, and dead inventory through inventory tracking
- Free delivery and re-stocking by Pinnacle Tool, reduces shipping costs
- Reduce time and money spent ordering, receiving, stocking, managing inventory
- More accurate job costing and demand planning
- 24/7 access to supplies while reducing stock-outs, hoarding and down time
- Pinnacle Tool will re-package so that the items are dispensed in the quantity used
- Our solution will fit your application not your application forced to fit our equipment
- Bi-monthly detailed invoicing of our consigned inventory reduces workload for A/P
